Coaches Championship and Academy

is an intense program designed for serious golfers, ages 14-18. This one-of-a-kind academy features a 54-hole championship in a team format, to include coaching and instruction from America's top collegiate coaches.

This program addresses all aspects of competitive play, including practice routines, mental and physical preparation, and college golf opportunities.

Tournament play will be at the Grand Palms Hotel-Spa and Golf Resort, located in Pembroke Pines, Florida, close to Fort Lauderdale.

Curriculum

The Coaches Championship and Academy is designed for the serious junior golfer. The program will consist of four phases:

Competition

Students will participate in a three-day, age group tournament. A 54 Hole Tournament with points qualifying toward the Jr. Golf Scoreboard Rankings. This tournament will use the same team format as college events. The coaches will be interacting with the players during the competition.

Instruction

The full swing, short game, putting, on-course instruction, and drill recommendations for future improvement will be the focus of these sessions.

College Preparation

Topics such as study skills, time management, stress management, and recruiting process will be covered.

Game Enhancement

Topics such as fitness, tournament preparation, course strategy, rules, equipment, and psychology will also be covered.
